

## **TMA E-Marketing Media Kit**

TMA E-Marketing, a Minneapolis-based Internet marketing and advertising agency, is one of the leading providers of Internet marketing services in the US. TMA E-Marketing has helped companies ranging from start-ups to Fortune 500 corporations develop complete Internet marketing strategies to achieve their marketing and sales objectives. TMA E-Marketing is recognized as a leader in developing and applying cutting edge online technologies and offers clients “one stop shopping” for all their Internet marketing and advertising needs. TMA E-Marketing owns and operates some of the most important properties on the Internet, including the number one business blog directory (iBlogBusiness.com) and number one business podcast directory (iBizRadio.com) in the world.
